Addit braided wrap Ø20 mm

A simple and effective solution for creating clean and professional cable management. The braided wrap bundles multiple cables in one organized sleeve, reducing visual clutter while providing flexible protection. Its woven self-closing design allows cables to be added without disassembling terminals or connectors.

- Woven, self-closing, flexible cable mesh
- Made from polyester (PET)
- Install wires without disassembling terminals or connectors
- Can be easily cut to size
- Suitable for 5 cables of 6 mm (0.24") thickness

Addit braided wrap 20 mm/25 m - 640

The 25 m roll is ideal for larger installations. Simply cut the wrap to the required length and feed the cables through. Comes as a 25 m (82ft) coil.
