ViewLite iPad Holder

The iPad Holder for the ViewLite monitor arm series snugly and securely holds an iPad in place. The iPad Holder can bring an iPad up to eye level with computer screens so that it becomes a full-fledged desktop sidekick. Thanks to the unique ViewLite mounting head, the iPad Holder is quickly and easily exchanged for a screen and vice versa.

- Suitable for iPad 2 & 3
- Very fast installation
- Grey corner grippers made of soft synthetic material
- Holds an iPad firmly in place
- An iPad is easily installed or removed
- Only compatible with the ViewLite series Quick Release System
